1 - Achei a disciplina muito bem ministrada. O professor tem muito conhecimento e amor pelo tema da administração pública. Meus pontos negativos que foram pontuados em sala de aula foram os seguintes: achei que a prova deveria ter sido aplicada na semana seguinte, uma vez que a prova já foi on-line, não teria o prejuízo de não fazer a prova presencial. Outro motivo de sugerir que a prova seja na outra semana é porque a matéria é muito densa, e o mestrado intensivo é muito dinâmico, então não deu tempo de assimilar as matérias da semana. Acho também que a disciplina merecia mais horas, uma vez que tem muita coisa interessante e o debate é muito rico. Obrigada! Att.
